

## From Principal's Desk

As I set out on this journey of leadership I remember with gratitude all those who have contributed to the growth of this institution especially the visionary principles laid down over the years by them.

it's my firm belief that all odds, all challenges, and all handicaps of life can be overcome with strong determination, persistent hard work, insurmountable patience, and unshakeable tenacity.

I have always been Inspired by the valuable words of Dr. A.P.J. Abdul Kalam.

He said:

*"If you salute your duty, you need not salute anybody,  
but if you pollute your duty, you salute everybody"*
